BASEBALL LEAGUE STARTS.

Athletics Defeat Squads and Braves Beat F. of A. Juniors.

After several postponements the town league got underway Saturday afternoon with two very interesting games, in which the Athletics won from the Squads 9 to 7 and the Braves triumphed over the F. of A. Juniors 7 to 2 after going three innings beyond the allotted seven, scoring five runs in the 10th on three hits and three errors.

The playing of the teams in general was excellent, considering their lack of practice, and gives promise of some good sport during the summer, as the nine are apparently evenly matched. Thayer led the hitting in the afternoon's sport and turned in an unassisted double play. Cunningham behind the bat made a very favorable impression with the fans.

Proceeding the games there was a street parade by the four teams and their mascots, headed by the drum corps. The F. of A. Juniors wore their new uniforms for the first time and presented a fine appearance.

A disappointing feature of the afternoon was the small attendance, but the managers hope for much better patronage next Saturday. The scores:

The Student Conference.

The student conference opened Friday evening at the auditorium. Friday 600 delegates are now here though many did not arrive until Saturday, as they attended the Yale-Harvard boat race at New London, John R. Mott, D. D., who for many years has presided at this conference, is now in Russia in Christian work in connection with the international Y. M. C. A. on the battlefield and in the camps. David Porter, executive secretary of the international committee, presides at the meetings. A quartet of young men adds much to the impressiveness of the services. Harvard and Yale as usual have the largest delegations and other large delegations from the colleges and preparatory schools of the eastern states are present. The full quota is not what it has been in previous years as many students have enlisted in the past few days since the call for recruits in our country. Throughout the conference there is a deep note of impending catastrophe and a strong appeal for unity in Christian faith and action to meet the future calls whatever they may be.

One of the stirring speakers is Rev. George Sherwood Eddy, who has spent many months and has just come from battlefields in the warring nations of Europe. He has been engaged in Christian work as international secretary for Asia and Africa. C. A. Other speakers are, Robert E. Spear, D. D., Bishop Bruce of China, Bishop Charles H. Brent of the Philippines, Charles E. Brown, D. D., of New York city, Fletcher S. Brockman.

Each afternoon is given over to sports and various forms of recreation. There are inter-collegiate baseball games and tennis tournaments on the Marquand field. There will also be a field day and track meet between the college delegates. The usual patriotic celebration followed by a huge bonfire will be held the latter part of this week in the evening, to be announced. The conference continues through next Sunday.

Collecting Famine Relief Fund.

The committee has still to receive the contributions from Gill, which included donations from Mrs. W. R. Northfield, Northfield Mountain and Northfield village south of the Catholic church.

It is expected that another Sunday will find every family visited and the money in the hands of the treasurer, Dr. N. P. Wood. The committee in charge of the campaign consists of Rev. George L. Thompson, Dr. N. P. Wood, Rev. F. H. Leavitt, Rev. F. H. Thompson.

Every cent contributed goes directly to the Armenians or Polish who are such terrible sufferers in the war. Dr. Wood forwarded a check for \$440 this week, and the remainder will be sent as soon as collected.
